

Fowey Harbour Commissioners

WASTE DISPOSAL INFORMATION

REFUSE A skip is placed on a floating pontoon at the entrance to Pont Pill. This skip is for use by yachtsmen and should be used in preference to landing rubbish ashore

There are smaller refuse facilities available on the visitor pontoons and landing pontoons (Yellow bins)

During busy periods a **Rubbish Collection Service** is provided for visiting craft by Commissioner's staff

RECYCLING Receptacles are placed on the floating pontoon at the entrance to Pont Pill, on visitor pontoons and landing pontoons.

Facilities are provided for recycling **Glass, Tins and Plastic Bottles and Paper.**

SEWAGE PUMP-OUT FACILITY is situated at Berrill's Yard pontoon. This facility requires a £1 coin for operation

WASTE OILY WATER & BATTERIES A facility is available at Brazen Island by arrangement

International Catering Waste (food waste from vessels visiting from non-EU countries) may be disposed of in the designated RED coloured receptacle at Albert Quay

**It is a serious offence to discharge oil and/or refuse into the harbour or sea
PLEASE HELP KEEP FOWEY TIDY and ensure all rubbish is bagged and disposed
of in the correct manner at the facilities provided**
