

FOWEY HARBOUR COMMISSIONERS

LOCAL NOTICE TO MARINERS

LNTM 2021/04

Pontoon Installation – Mixtow Pill

Mariners are advised that works to replace and extend the pontoon at Mixtow Pill are expected to commence on 17th March and last approximately 2 weeks.

The works will involve a large barge supported by work boats. Piling operations will occasionally require sections of the Pill to be closed to marine traffic. Vessels are to follow the directions of Harbour Staff and navigate with extreme caution, particularly during hours of darkness.
