HM 2020/04

Fowey Mini Regatta 2020

The cancellation of the Fowey Royal Regatta events this year due to Coronavirus restrictions has been a real disappointment for us, our community and the many visitors who come to be part of 'Fowey Week'. But we are pleased that the Port of Fowey Race Organising Committee (POFROC) have organised a series of class sailing races, taking the form of a mini regatta. A brief summary of the races is as follows:

Saturday 15th - Monday 17th August

Fowey River Championships

Races inside and outside the Harbour to celebrate 70 years of the Fowey River Class.

Tuesday 18th – Wednesday 19th August

Troy Championships

Races inside and outside the Harbour

Thursday 20th – Saturday 22nd August

Cruiser racing

Races outside the harbour

Thursday 20th – Friday 21st August

Dinghy racing

Races inside and outside the Harbour

(Arrangements are subject to weather. Further information and sailing instructions available from POFROC)

There will be areas of congestion during the racing, especially in the vicinity of start/finish line (off the Royal Fowey Yacht Club) and around race marks. Please keep clear of racing boats and follow any instructions given by Harbour Patrol or race safety boats.
