HARBOUR MASTERS NOTICE

HM 2020/08

Mooring Strop Removal and Tenders on Pontoons

Harbour Users are reminded that all mooring strops should be removed from moorings for the winter period, FHC can provide this service if requested. This is to prolong the life of the mooring strop and aid our team when undertaking mooring maintenance.

Pontoon tender licences expire on the 31st October, please ensure tenders are removed from pontoon facilities. If there is a requirement to keep a tender afloat over winter, please contact the Harbour Office for more information.
