

FOWEY HARBOUR COMMISSIONERS

LOCAL NOTICE TO MARINERS

LNTM 2020/11

Shiploader Repairs No.8 Jetty

Mariners are advised that the shiploader on No.8 jetty is undergoing maintenance during Thursday 22nd and Friday 23rd October.

Within this period, the boom will be extended over the edge of the jetty in a horizontal position and presents an obstruction to vessels navigating close to this jetty.

All vessels are directed to give this area a wide berth until work is complete.
