

FOWEY HARBOUR COMMISSIONERS

HARBOUR MASTERS NOTICE HM 2021/13

Fowey RNLI Pontoon Works

Engineering works will be undertaken at the RNLI moorings at Berrill's Yard, Fowey. These works are due to start in the week commencing 8th November.

Marine plant will be deployed including large barges which will partially obstruct the main channel. Barges will display suitable illumination at night. Harbour users should navigate with extreme caution and give the area a wide berth.

The seaward side of Berrill's Yard pontoon will not be available for use during the works. Although access to tenders will be available, users are encouraged to remove tenders for winter if possible.

Works are anticipated to continue until mid-December.

For further information, refer to LNTM 2021/14
