

FOWEY HARBOUR COMMISSIONERS

LOCAL NOTICE TO MARINERS LNTM 2021/14

Fowey RNLI Pontoon Works

Engineering works will be undertaken at the RNLI moorings at Berrill's Yard, Fowey. These works are due to start in the week commencing 8th November.

Marine plant will be deployed including large barges which will partially obstruct the main channel. Barges will display suitable illumination at night.

Mariners should navigate with extreme caution in the area and pass with slow speed to minimise wash.

Commercial ship movements may be subject to some disruption. Pilots are to liaise closely with the Harbour Master /onsite engineers regarding deconfliction of activity.

Works are anticipated to continue until mid-December.

For further information refer to HM Notice 2021/13
