HARBOUR MASTERS NOTICE

2026/05

Paddle Steamer Waverley Friday 22nd May

Harbour users are advised that the PS Waverley, the last passenger carrying paddle steamer in the world is scheduled to call in Fowey between 1330 and 1445 on Friday 22nd May. The ship will be mooring in the lower harbour but, due to her limited maneuverability and considerable wash generated by her paddles, all vessels are directed to keep a distance of at least 100 yards clear at all times. Fowey Harbour Patrol will provide a 100 yard safety exclusion zone around the Waverley. Entry into the safety exclusion zone is prohibited whilst she is underway.
